A SCOTLAND NECK INTERVIEW

Mr Lawrence Tells His Experience The following brief account of an interview with a Scotland Neck man four years ago, and its sequel, will be read with keen interest by every citizen.

C. W. Lawrence, Main St., says: "About a year ago I had trouble with my back and kidneys. My back ached intensely felt weak and mornings I was sore and stiff. The trouble bothered me considerably while working and often I could hardly stoop. Finally I got a box of Doan's Kidney Pills at Whitehead Co's Drug Store. They soon relieved me of this trouble and put me in good shape." (statement given July 2, 1914.)

On June 5, 1918 Mr. Lawrence said: "I can recommend Doan's Kidney Pills as highly now as I did in 1914. Whenever my kidneys don't act just right I take a few doses of Doan's Kidney Pills and they bring me wonderful relief." 60c at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Mrs. F. J. Gardener left on the morning train for Norfolk returning home after visiting Mrs. J. M. Bunch for a few days.

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
